

Dear Parent,

Greetings from Federal Bank.

As you might be aware, Federal Bank has partnered with various educational institutions for managing their fee collections. The school in which your child is pursuing studies is one among our valued patrons.

The Central Board of Secondary Education vide their circular CBSE/SECY/SPS/2016/ December 10, 2016 had instructed all schools to accept fees through online non-cash mode. Government of India has also instructed banks to provide online modes for accepting school fees. In line with these instructions, we are offering school fee payments absolutely FREE of charges through **BHIM LOTZA UPI PAYMENTS APP**, FedMobile & FedNet.

As a parent, we request you to make school fee payments digitally through our UPI App, **BHIM LOTZA UPI Payments App** by linking your Bank account. There is no need for the parent to have a Federal Bank account to make school fee payments. You can maintain your Bank account with any Public Sector/Scheduled Commercial Bank in the country and link it to the **BHIM LOTZA UPI PAYMENTS APP** for making payments. For your first transaction, you will get savings coupons worth Rs.1500.

How to make payments using BHIM LOTZA UPI PAYMENTS APP?

-  Download & install the app from Google Play Store/ Apple App Store
-  Complete your profile and link your Bank Account
-  Select school fee, choose the school name, enter student ID and the fee applicable will be listed in the screen
-  Select the fee to be paid and complete the payment
-  Provide your UPI PIN to authorize the transaction. If you do not have a PIN, you may create a PIN instantly

You may also contact our contact center or any of your nearest Federal Bank branch for installing the **BHIM LOTZA App**

Please note that there will be a nominal charge of Rs. 25/- for making cash payments at Federal Bank branches from 1st November 2017.

Be a part of the Government of India's digital drive towards a cashless economy, by paying your school fees digitally.

Regards,

Federal Bank
